Product Description:

Vinyl & Leather Shampoo is a premium, concentrated interior cleaner. It isn't just for vinyl & leather. It works great on plastic, wood, fabric, headliners and all interior surfaces.

This formula contains a specialty blend of ingredients to make it a strong and effective cleaner, but gentle enough to use on the most sensitive leather surfaces.

It also utilizes "dry foam" technology to keep the carpet and fabric soft and fluffy. It will not leave a sticky residue behind which can attract dirt and grime.

This product is very concentrated and when diluted properly outperforms any other interior cleaner on the market. Just give it a try. You will be sold after using it on even the toughest, dirtiest interior.

Great for use on:

- ◆ Leather and imitation leather surfaces.
